President’s report
Tony congratulated Deb Munns on receiving the 2015 Parent of the Year award. Deb said she was proud to represent the school at this event and was impressed by the students who also received awards – many of them from regional schools. Deb also shared a certificate from Bathurst Regional Council thanking us for holding a Bathurst 200 event. The certificate was given to Kate to display at the school.

Principal’s report
Tabled at meeting.

Discussion about dangerous parking/drop-off by parents outside the school. Tony offered to write to the Department of Education suggesting that department cars be parked further down/elsewhere to provide more room.

Discussion about the opportunity to have a school chaplain at BPS to mentor and support students (nb. title is misleading as it is non-religious). This is an initiative of the Dept of Education and administered by the NFP organisation Your Dream Incorporated. The general feeling of the meeting was that it would be a good opportunity to provide further support and welfare to students who need it and should be pursued.

Treasurer’s report

Motion: That the treasurer’s report be accepted and that the following amounts be paid:

- 6 x $20 Sportspower vouchers for state athletics

Canteen Treasurer’s report
Tabled at meeting.
BUSINESS ARISING:

**Canteen operating hours and online ordering**

In response to Kate’s request to consider operating the canteen 5 days a week the canteen committee presented comprehensive data regarding school canteen sales, costs and the Term 4 menu. This analysis has uncovered that while the canteen offers a number of healthy choices, the majority of sales are for amber/red category foods such as nuggets and flavoured milk. This led to significant discussion about what role (if any) the P&C/canteen should play in influencing healthy choices.

As a result it was decided that P&C members should be given time to consider the information presented and discuss it again at our next meeting.

The meeting was also given information about the pros and cons of 3 online ordering systems. A show of hands voted in favour of pursuing online ordering and resulted in the following motion:

*Motion: That we pursue online ordering and delegate the canteen committee authority to investigate the options further on our behalf with a view to implementing a trial next term.*

**Moved: Karla  Seconded: Deb**

Tony requested that the canteen committee investigate the data security of the different ordering systems on offer to ensure that privacy is retained.
