MINUTES

Bathurst Public School P and C Meeting
Wednesday March 23rd 2012

The meeting was called to order by Tony McBurney at 8:00 p.m.

In attendance
Parents/Citizens: Carol Neary, Kirsty Ridley, Clare Lewis, Karla Harrahan, Amanda Lynch, Tony McBurney, Lesley Macready, Maria Liu, Sueann Brown, Andrew Smith, Deb Munns, Sarah Veilande, Melanie Baines, Fiona Wetherspoon

Staff: Denise Difazio, Kate White, Jodie Goininan

Apologies
Annabel Hillston, Sarah McBurney

Approval of Minutes
The minutes were read from the February meeting and approved.

P and C Committee
A new Committee was elected at the 2012 AGM, held previous to this meeting. The new Committee members are below:

President – Tony McBurney
Vice-President – Claire Lewis
Vice-President – Kirsty Ridley
Secretary – Amanda Lynch
Treasurer – Vacant (Fiona to stay in role until May 16th)
Canteen Treasurer – Vacant (Sarah to stay in role until May 16th)

Principal’s Report
Principal Kate White presented her report (attached).

Committee Reports
Treasurer - Fiona presented her report (attached). Permission was requested to donate $20 to the children representing the School at the NSW PSSA Swimming Championships. This request was moved by Tony McBurney and seconded by Carol Neary. Permission was requested to purchase soap to donate to the School for the toilets. This request was moved by Carol Neary and Seconded by Sarah Veilande.

Canteen Treasurer - Sarah Veilande presented her report (attached). At this stage the canteen prices will remain unchanged. A price review may be held in the coming months.

Business Arising
Mothers Day Stall – to be held on Friday 11th of May. Deb has volunteered to coordinate the Mother’s Day stall this year. Help will be required for collection and sorting of the donations, wrapping and other preparations. 460 gifts will be required to ensure all children can purchase a gift. Help will also be required on the day of the stall to sell the gifts. An appeal for help will be in the newsletter next term.

Actions: Deb will meet with Fiona to get a better understanding of current processes. Deb will draft an ad for the Newsletter (starting next term) asking for donations and volunteers.
Lost Property – needs to be sorted out so lunch boxes and drink bottles are separate from clothing items. At the end of each term the lost property is sorted so items with names can be returned to students, and unclaimed uniform items can be washed and prepared for the Clothing Pool.

Actions – Kirsty has offered to clean out lost property.

Fundraising
Chocolate Sales – Chocolate sales are still going strong. Lisa McLean has agreed to continue to sell chocolates to raise funds this year. Permission was requested to place another order of Chocolates. The request was moved by Tony McBurney and seconded by Amanda Lynch. It was discussed that we may try to see if there are other people interested in selling chocolates at work places to further increase funds raised.

Book Club – Book Club is still going strong and continues to provide the School with resources in the way of point redemption. Carole is currently training Sue on how to process and distribute orders. We may need to explore book covering options in the way of volunteers to try to relieve the pressure currently on School staff.

CDSE Fundraising - Making a submission for a grant from Panthers and the RSL from poker machine profits.

Next Meeting
Wednesday 16th May 2012, at 7:00 p.m., Staff Room

Motion to adjourn was made at 9:30 p.m. and was passed unanimously.
P&C Meeting - Wednesday 21st March, 2012

1) The term has flown by and we have been incredibly busy once again. Thank you to the parents for their continued support of the programs and opportunities we offer the children.

2) Attendance - is a major focus for the DEC and Bathurst Public in 2012. We want our attendance rate to be equal to or better than state which is about 93.4%. At the moment we are trying to get children/parents to return notes when they are away and notify the school if going away on holidays as I can apply for an exemption of attendance for the period of absence. We are also trying to decrease our late arrivals as we have many children arriving after the start of the day. We are advertising all this information in the Newsletter and are using stats and graphs to explain the effect of missed schooling to parents.

3) District Swimming Carnival - was held at the aquatic centre on Friday 24th February. Bathurst Public School won the overall point score and was announced the 2012 Bathurst District Swimming Champions. We also won the handicap point score for the Carnival. This is the fourth year in succession that Bathurst Public School has won both trophies. Well done to all our swimmers on a terrific day.

A special congratulations to four of our children who were announced age champion at the conclusion of the District Carnival. Well done:

   Hannah Smith - Senior Girl Champion
   Cooper Fox - Senior Boy Champion
   Tyson Haynes - Joint Junior Boy Champion
   Sophie Hillsdon - Junior Girl Champion

We had 19 children qualified to attend the Regional Swimming Trials in Dubbo on Friday 9th March 2012. They were: Tyson Haynes, Caiden Grimmett, Nic Charters, Sophie Hillsdon, Pearl Grimmett, Morgan Murphy, Kacey Fox, Hannah Smith, Phoebe Dawson, Hannah Nolan, Alex Ridley, Emma White, Cooper Fox, Sam Sloan, Jasper Rush, Aidan McBurney, Charlie Flude, Scott Brown and Jenna Rush.

We now have 9 children who have qualified to attend the NSW PSSA Swimming Championships in Sydney on Tuesday 3rd April and Wednesday 4th April. They are:

   - Kacey Fox - Junior Girls Breaststroke
   - Cooper Fox - Senior Boys Butterfly, Breaststroke, Backstroke and Relay
4) Flood Day - what a headache! Thank you to the staff that worked so amazingly well in a 30 minute time frame to get children onto buses and sign out over 100 children. A new flood and snow plan has been developed. We are also looking at Group SMS alerts (and are hoping to trial it this week) and have created a facebook page to aid with communication.

5) Parent/Teacher Interviews - we were so pleased with the response of parents who attended the meetings. The teachers found these worthwhile and positive. Any parent feedback????

6) Stage 3 Canberra Excursion - currently in Canberra. Will arrive home at 6.30pm on Thursday 22nd March.

7) We have 2 Smartboards being installed tomorrow and we have just purchased 5 second hand boards from Roseville PS. I will pick these up next week. When all are installed, all rooms will have a Smartboard.

8) Green Card Morning Tea - with Mrs White on Monday 2nd April for the highest Green Card winner in each class. Our PBL reward day will also be held on this day.

9) Easter Hat Parade on Tuesday 3rd April for all K-2 children. The children have started practicing some dances as part of their PE program. Easter Hats/Bonnets should be made at home! Will the P&C be offering Hot Cross Buns and Tea/Coffee - I have had a request from some year 6 students to organize this.

10) I have been notified that our Speech Therapist will start in Term 2. This service is costing the school $360 per day ($3600) per term.

11) Local Schools Local Decisions - much discussion in the papers. A have provided a website and general information to keep parents abreast of what is occurring.

Communication will be important so that principals and their communities can be informed of the information as we progress the full implementation over the next three years. A website has been established dedicated to LSLD and includes a vodcast from Minister Adrian Piccoli. It can be found at: http://www.schools.nsw.edu.au/lstd

12) NAPLAN (National Assessment Program Literacy and Numeracy) will be held in Term 2 on Tuesday 15th May, Wednesday 16th May and Thursday 17th May.

13) Fundraising overview for the year

**Snow and Flood Plan Procedures for Bathurst Public School**

**Background**

Whilst Bathurst Public School is in the CBD of Bathurst, it draws children residing all over the Bathurst township and also from the surrounding areas.

We have buses that come from Pecl, Rockley, Oberon, O'Connell, Meadow Flat, Perthsille, Blayney, Eglinton, Ophir Road, Freemantle and the Orange Road (The Rocks and Vittoria).

**Snow**

From time to time, it does snow in the township of Bathurst.

The surrounding areas of Bathurst do experience heavy falls at times throughout the year.

At these times, parents may elect to pick children up from school early to avoid delays due to road closures. Bus companies also contact the school to collect children early to conduct bus runs before roads are affected by road closures to ensure children get home from school.

**Flood**

From time to time Bathurst experiences heavy rainfall.

With the Macquarie River running through the middle of Bathurst, the town also experiences flooding from rains to the north.

The flooding often sees the Great Western Highway closed to traffic. In these instances, parents may elect to pick children up from school early to avoid delays due to road closures. Bus companies also contact the school to collect children early to conduct bus runs before roads are affected by road closures to ensure children get home from school.

**Procedures if there is snow/flood affected areas prior to the school day**

Bathurst Public School will remain open.

Staff that are able to attend school do so as normal to carry out regular duties and supervision of children. Some allowances may need to be made for absent teacher ie classes may need to be split/combined.

Bus runs will operate at the discretion of the Bus Company and Bathurst Council/RTA.

Advice to parents can be made by contacting the bus company or listening to the radio for announcements and updates (2BS and 2BS Gold).
Parents can also contact the school from 8.00am to receive updates. These will be forthcoming as soon as the school is informed.

Staff who cannot attend Bathurst Public School due to road closures should report to the nearest school to their residence.

**Procedures to follow if there is snow/flood affected areas during the school day**

During snow/flood events:

- The Principal and Office Staff will regularly check the RTA and Bathurst Council Websites for impending road closures.
- The office staff will contact Jones Bros to see if there are any impending road closures that will affect their services.
- The Principal will contact Bathurst SEG office for regular updates on conditions.

Parents have completed a note (Appendix 1) informing us of their requests for their child should there be an incident of flood or snow affected road closures.

Bus Companies will contact the school to give us an Estimated Pickup Time for children.

Some parents will attend the school and pick children up to transport them home. Parents will be required to sign children out at the front office.

When children leave by bus, a record will be made of the name of the child, bus number and time left for admin and communication purposes. Before leaving, all children should be questioned regarding parental/adult supervision available at home when they get there. If there is no supervision at home, children should not go home on the bus. If children are unsure, parents should be contacted.

All children unaffected by the road closures will continue in class supervised by teachers. Some allowances may need to be made for teachers who have left due to road closures ie classes may need to be split/combined.

Staff that are affected by the road closures will be offered the opportunity to leave school. Staff who leave Bathurst Public School due to road closures should report to the nearest school to their residence.

**Communication**

Parents can contact the school regarding any imminent road closures and early bus runs.

Parents should also listen to radio for announcements and updates from 2BS and 2BS Gold.

*N.B. Bathurst Public School is currently looking into a group texting option so that texts can be sent to all parents to inform them of road closures and the need for early bus travel and supervision arrangements.*

Dear Parents

Due to the recent Bathurst Floods, it is timely to update our Flood and Snow Policy and Procedures.

To ensure accuracy in our database, we request the following information from parents:

Name _________________________________ Class __________

☐ I am happy for my child to catch the bus as usual if bus children are to be dismissed early from school.

☐ I will pick my child up from the front office if roads are to close.

☐ My child will remain at school and I will make arrangements for them to be picked up at 3.00pm.

Other information:

________________________________________________________________________

If bus children are to be dismissed early from school, the local radio stations will be broadcasting this information.

Thankfully these situations do not arise often, but we like to be as prepared as possible. We generally get around 30 minutes notice of impending bus arrival hence the importance of having this information on hand as we do have limited time and would find it impossible to contact 465 parents.

Before children are placed on buses, we do check with children that a parent or adult will be at home. If children are unsure, we will contact parents.

If at any time you need to discuss this organisation, please contact Mrs White at school.

Regards

Kate White
Principal

MANAGING RESOURCES

CURRENT STATE | FUTURE STATE
--- | ---
- Schools directly manage less than 10% of the total public school education budget | - Schools manage more than 70% of the total public school education budget
- Schools manage up to 600 separate line items and small program budgets | - Schools manage a budget that separates staffing and non-staffing funding
- Funding for schools is determined by student numbers and central programs | - Funding for schools reflects complexity as well as student numbers
- Small changes in student numbers can lead to significant increases or decreases in teachers and support staff under the centralised staffing formula | - Funding changes gradually as school populations change over time
- Schools have limited opportunities to manage maintenance | - Schools can manage annual planned maintenance to fit in with educational needs

NEXT STEPS

NOW | SOON
--- | ---
- New plain English guidelines and authority for all schools to easily manage annual planned maintenance from Day 1, Term 3, 2012 | - Develop new Resource Allocation Model (RAM) by mid 2012 for staged implementation from 2013
- Combine and streamline reporting requirements for many small program budgets | - New tools to simplify and support increased local decision making
- Professional learning and transition support

TIMELINE
**STAFF IN OUR SCHOOLS**

**CURRENT STATE**

- A rigid staffing formula determines the number and roles of staff in schools based on student numbers.
- Centralised staffing directly places some transfers and staff returning to duty into vacancies as they arise in schools. This means that some schools rarely get a say in how vacancies are filled.
- Salary progression based on years of service not professional standards.
- Performance management processes that link to professional standards are not consistently applied in schools.
- School leaders find processes to deal with staff underperformance slow and cumbersome.
- Current or aspiring school leaders do not require formal leadership and management credentials before being eligible for leadership positions.
- Principal salary and classification are linked to student numbers, regardless of the complexity of the school or its students.
- The extent of local authority can be unclear due to multiple approval levels creating the possibility of local decisions being reversed.

**FUTURE STATE**

- Schools choose the number and roles of staff within their budgets to best meet local needs.
- Schools determine the mix of permanent and temporary staff to meet local needs.
- Incentive transfers remain to ensure teacher supply in rural and remote schools.
- Schools can offer local incentives within their budgets.
- Schools choose how they fill at least every second vacancy once incentive transfers and Aboriginal employment applicants are placed.
- Salary progression based on attainment of professional standards.
- Performance management and professional development of all staff are linked to the school plan and professional standards.
- Streamlined processes enable school leaders to swiftly identify and respond to underperformance.
- School leaders have leadership and management credentials before being eligible for leadership positions.
- Principal salary and classification are linked to school complexity not just student numbers.
- Clear role expectations, capabilities and line management accountabilities are defined.

**NEXT STEPS**

**NOW**

- Introduce limits on central appointments and transfers, except incentive transfers and Aboriginal employment applicants, from Day 1, Term 4, 2012.
- Progressively increase flexible local decision making within the state-wide staffing system and simplify existing processes.
- Refine policies so that schools have more flexibility to vary the mix of staff as vacancies arise.
- Professional learning and transition support.
- Current school leaders have access to professional development in the transition to greater local authority staffing from Term 3, 2012.

**SOON**

- New tools to simplify and support increased local decision making.
- Strengthen performance management, planning and development processes for all staff, including school administration and support staff by Day 1, Term 4, 2012.
- Gradually transition to standards-based career progression for teaching staff.
- Review classification of principal positions to include complexity for progressive implementation from 2013 as schools adopt more local authority.
- Schools can buy the professional learning support they need from internal or external sources.

**TIMELINE**

- Performance management and limits on transfers.
- Staffing mix.
- All schools.

- Transition planning and professional learning.
